Sponsorship
OPPORTUNITIES

Greetings from Willow Springs Garden:

As I continue to manage Willow Springs without my partner, I reassure you that we will continue Dennis' commitment to the community.

With robust support from volunteers, staff and family members, Willow Springs looks forward to hosting the fun family festivals we all enjoy.

As you know, the support from area businesses and families helps us continue these events.

You may desire to sponsor a particular event. We host as many events as we can and welcome your sponsorship of multiple events if chosen.

To be an exclusive sponsor of a special component, please indicate that to us. (i.e., fireworks show for 4th of July Fest, major purse for the tractor pulls)

All donations go to the event hosted and support the continual repurposing of the historic buildings.

Contributions can be sent at any time, with a few events with deadlines for sponsorship recognition.

We would appreciate your consideration and support for any of the listed events.

**WE OFFER FOUR SPONSORSHIP LEVELS:
\$100 • \$250 • \$350 • \$500**

A custom package is also available. Please call for details.

Please enter the level you would like next to the event on the back. Please cut the form off the brochure and send in the mail or drop off at the hall.

In addition to being included in our event literature, every sponsor is announced regularly during the events to recognize their support.

All Independence Day sponsors receive an 8"x10" sign that is displayed on the Tower of Appreciation.

All Tractor Pull sponsors receive a banner that is displayed along the track.

For other events, major sponsors will have their banners displayed. All sponsors are posted on our website sponsorship page.

*Payments can may be made:
By check to Willow Springs Garden
Paid online with FareHarbor
By Credit Card (Square)
A 3% service charge will be applied
Or Venmo*

We are not a nonprofit organization.

Thank you for your consideration and kindness.
